Re: One Economy Notice of Ex Parte Presentation - WC Docket No. 11-42, CC Docket No. 96-45,
and WC Docket No. 03-109

Dear Ms. Dortch:

On June 13 and 14, 2011, Ken Eisner, Vice President of Policy and New Business Development at One Economy participated in the Commission's Workshop on Low Income Database Issues, which followed on the Commission's Notice of Proposed Rulemaking in the above-referenced dockets and addressed issues concerning the construction and operation of a database for Lifeline and Link Up.¹

The workshop was led by Kimberly Scardino, Cindy Spiers, and Jonathan Lechter of the Wireline Competition Bureau. Also in attendance on June 13, 2011 were Zachary Katz, Legal Advisor for Wireline Communications, International and Internet Issues to Chairman Genachowski, Sharon Gillett, Chief, Wireline Competition Bureau, and Trent Harkrader, Division Chief, Telecommunications Access Policy Division. On June 14, 2011, Carol Matthey, Deputy Bureau Chief, Wireline Competition Division attended. In addition to the above-named individuals, many other participants attended the workshop, and that list has been attached to the end of this letter.

To offer our thoughts on the database, One Economy created a paper entitled, "A National Database for Use with Lifeline and Broadband Adoption Services." We have attached those comments in a separate document. Various private sector individuals also attended these meetings, and that list has been attached to the end of this document.

¹ Lifeline and Link Up Reform and Modernization; Federal-State Joint Board on Universal Service; Lifeline and Link-Up, Notice of Proposed Rulemaking, WC Docket Nos. 11-42 & 03-109, CC Docket No. 96-45 (rel. Mar. 4, 2011).
